SPECIALITY CHEMICALS SINCE 1974

OUR PRODUCTS – WHAT WE DELIVER

Our range of products includes organic and inorganic industrial and speciality chemicals we mainly buy from renowned European producers.

QUALITY PLUS SAFETY

As a distributor of chemical products, we attach central priority to the quality of our goods and services. Our certifications in conformity to DIN EN ISO 9001:2008 and to the “Responsible Care” guidelines underline our status as a responsible market partner.

• ADIPIC ACID

Isodecyl Alcohol
Isoundecyl Alcohol
Isotridecyl Alcohol
Vammar D 10

• AMINES

Alkylamines
Alkyldimethylamines
Benzylamines
Butylamines
Ethanolamines
Ethylamines
Ethyleneamines
Methylamines
Piperazines
Propanolamines
Propylamines
other Amines

• BORIC ACID

• BROMIDES

• BROMINE COMPOUNDS

• 1,4-BUTANEDIOL

• CITRIC ACID

• DIMETHYLSULFOXIDE

• FORMIC ACID

• GLYCOLS

• HYDROGEN PEROXIDE

• METHANESULFONIC ACID

• N-ETHYLPYRROLIDONE

• N-METHYLPYRROLIDONE

• NICKEL SULPHATE

• NTA POWDER

• OXO ACIDS

Neopentanoic Acid
N-Heptanoic Acid
Isononanoic Acid
Neodecanoic Acid

• OXO ALCOHOLS

Isooctyl Alcohol
Isononyl Alcohol

• PARAFORMALDEHYDE

• PERSULPHATES

• PHENOL

• PHOSPHATES

• PHOSPHORIC ACID

• PHOSPHOROUS PENTOXIDE

• POTASSIUM CARBONATE (potash)

• POTASSIUM HYDROXIDE (caustic potash)

• POTASSIUM HYDROXIDE SOLUTION

• SODIUM HYDROXIDE (caustic soda)

• STARCH DERIVATES

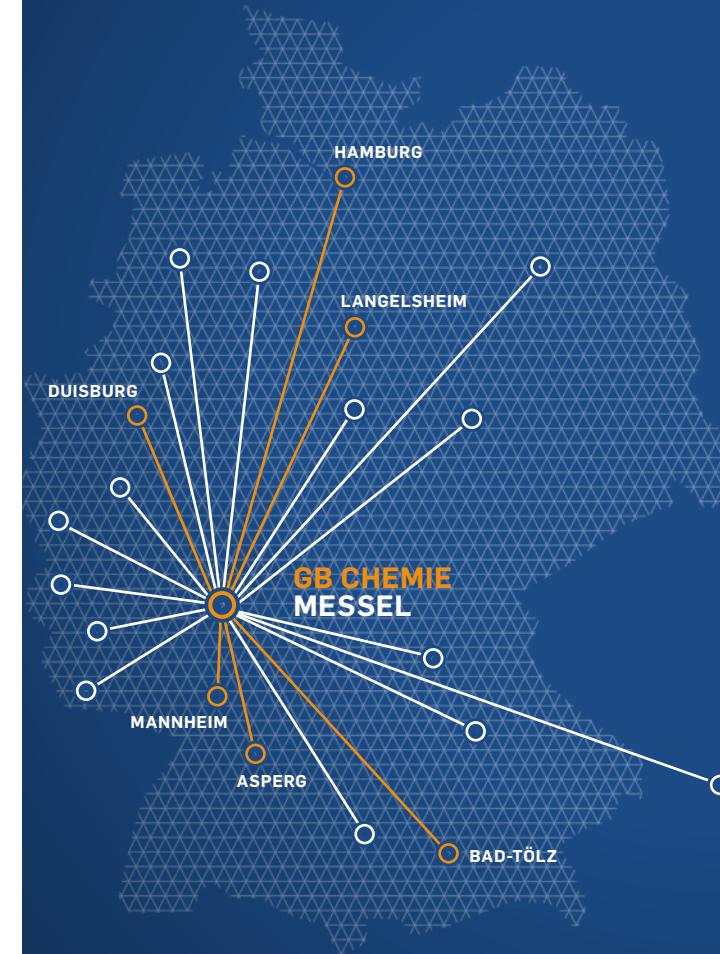

Amidon
Dextrose
Glucidex
Glucono-delta-lactone
Gluconic acid
Potato starch
Corn starch
Mannitols
Sodium gluconate
Polysorbates
Sorbitoles
Tackidex
Wheat starch

• SULPHAMIC ACID

• THIOUREA

• ZINC CHLORIDE

OUR DISTRIBUTION LOCATIONS

○ WAREHOUSES CURRENTLY IN USE

○ FLEXIBLE WAREHOUSE CAPACITY PLANNING
